Register on-line: <https://www.ntllaboratory.com/>

Click on the drop down for “APPOINTMENTS”

Select “RIVER NORTH SAMEDAY SURGERY”

Select “PCR NASAL SWAB”

Results will be e-mailed to the patient and the Surgery Center will be able to access results via the NTL lab portal. If you don't have an e-mail, please use the following e-mail for your results: RiverNorthPAT@uspi.com

Please bring the following to the test appointment:

Government Issued Photo ID

Insurance card or Proof of current address (if uninsured)

Hours are subject to change. Please check websites. We do not recommend testing at other locations unless they are hospital based. Other locations may not provide timely results or perform the correct test. If your results are not available prior to surgery or you get the wrong test your surgery will be cancelled.
